Hi Vicky!

I hope you are enjoying this DC snow!

Given the inclement weather, we are having to make some adjustments to the Administrator's schedule for this week. Could we please look to schedule this call next week? **Please let me know if 1/13 at 9:30AM ET works well for your team.**

Based on the original email connecting Secretary Paulson and Secretary Regan, I had thought this initial call was intended as 1:1 and introductory. **With Secretary Paulson's team joining, could you please share with me an agenda for this discussion?** This will help me determine who the correct POCs from EPA are to also join the discussion.

Thank you,

Kathleen C. Lance

Good morning, thank you very much for letting me know about the additional availability. Can we keep the 8:00a ET on the 4<sup>th</sup>? Also, Sec. Paulson's chief of staff, Kelley Folino, will join along with Maryanne Hancock who is working with him on his climate change initiative. Do you want me to send the Zoom invite or do you prefer to?

Thanks so much,  
Vicky

Hi Vicky – thank you for the note. I hope you are having a nice holiday season too!

Yes, times are offered in eastern time.

I've just learned that we have additional availability on Jan. 5 1-3pmET or Jan. 6 at 9:30amET.

Please let me know if either of these options work better for your office, or if Jan. 4 is preferred.

Kindly,

Hi Kathleen,

I hope you are having a nice holiday season. Are the times below in eastern time zone? Tuesday the 4<sup>th</sup> would likely work best for Sec. Paulson and he is fine doing via Zoom.

Many thanks,

Vicky Beal

Executive Assistant to Secretary Henry M. Paulson Jr.

Good morning Vicky,

I am happy to work with you to find time to connect Secretary Paulson and Secretary Regan in the New Year.

Could you please share if Secretary Paulson's schedule offers availability Tuesday, Jan. 4 at 8:00AM, or Tuesday, Jan. 11 at 10:00AM?

Does a video-call work well for you?

Kindly,

Kathleen C. Lance

Secretary Paulson – I'm very happy to help set time for you to connect with Administrator Regan. I see Carol Viet was copied on the email for scheduling, but you noted I can work with Vicky Beal – is Ex. 6 Personal Privacy (PP) the correct email for me to reach out to?

Administrator Regan,

I wanted to connect you via email to former Secretary Hank Paulson. As you may know, Hank started the first office at the Treasury Department focused on addressing the impact of climate change.

Michael, I wanted to connect you with Hank in light of his continued work with private and public sector actors to address climate change. Hank has provided me with invaluable advice, and I want to recommend that the two of you find a time to connect.

Regards,

Wally
